

we do not have a wide variety of radio stations available to us in this area. I believe it is very important to have a station available that is family oriented, one which encourages possitive values for teens, especially. K-LOVE does this. If K-LOVE was displaced by an LPFM broadcaster I believe we would lose a very valuable and possitive community resource. Personally I listen to this station each day, as do my 3 adult children and even my small grandchildren. We would truly miss it's influence in our daily lives if it was replaced.
